Kids classes are also held at the Beverly Rogers Academy of Dance. The kids have a blast in an atmosphere of learning and fun created by our experienced and caring staff.

Classes offered are Jazz, Ballet, Tap, Acro, Tumbling, and Hip Hop. Each class can range in time from 45 minutes to 1 hour to an hour and a half once a week or more.

For those interested in more dance, please see schedule :)

We use all genres of music specific to that class to create fun and excitement!

The kids develop coordination, motor skills, strength, flexibility and self confidence in Classical ballet to Kiddie Hip Hop classes and everything in between suitable for children! And the kids love the fantabulous treats offered at the end of class for a job well done!

Ballet class is taught in the classical tradition with French terms given.

Video monitors are mounted in our lobbies so you can watch your child having a great time while learning!

And in December, Christmas dances are held and are so much fun for the kids to show what they've learned, AND for you parents to see!

Also we hold a completely enjoyable, very exciting and fun dance recital in a June dance concert!

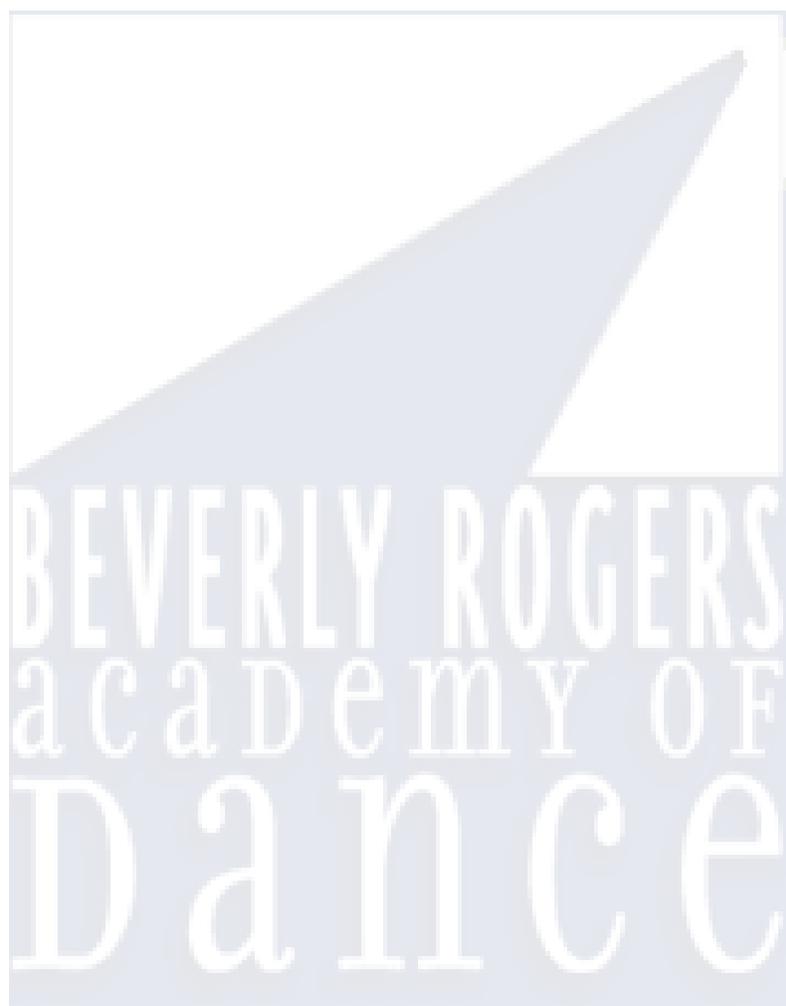

The energy at my school is a wonderful and familial energy that everyone attending, loves. We do not allow a "Dance Moms" mentality in this school. We do not allow cliques. Everyone is given the attention they require to feel comfortable. The attention the children receive is given by a staff of experienced and caring teachers who really do love what they do.

I've been around for a long time and know it is all about the energy we create for the children. Every one who attends the Beverly Rogers Academy loves the support so freely given by the parents and students alike. It truly is an atmosphere we are all proud of...

Come to the Beverly Rogers Academy of Dance. As director, I promise you will be so pleased and entertained to see the qualities we cultivate in your child. It really is a joy to behold.

See you soon!!!
